Thanks, Diane! We have opened a separate bank account to administer the grant from and are waiting for the checks to arrive. Once they do, I'll send Mark our voided check and updated Vendor Management Form (I hope to be able to do that early next week). We will begin submitting LRG overhead invoices once the new account is set-up for reimbursement with you.

Mark, please meet Kristina Twitty, our Grant Administrator. She's copied here in case you need her for anything.

Blessings!

Kristina,  
I confirmed that the funding for the subcontractors will only be available from the point they are awarded through June 30, 2018 when a new fiscal year begins. I have time after 1:00 today if you have time to talk. We haven't received any invoices so I wanted to find out the status.  
Let me know what works best.

Hello Diane.  
I would love to set some time to come meet you in person next week (Thurs or Friday, perhaps). In the mean-time, perhaps we could speak by phone sooner? What would be a good window for you?

The question Christina sent regarding the fiscal year, raises another about the retroactive nature of the applications.

Are Providers expected to apply for grants which would also cover some of the funds they've spent since July 1, to cover a full 12 months (a full fiscal year) as the paperwork states or are we asking them to apply twice in a 6 window?

We greatly appreciate your help with all these details and I look forward to meeting you!

Sincerely,

---
